5-zone pocket spring system

The 5-zone pocket spring system, manufactured by Bellus, provides perfect support for the whole body. The mattress is divided into 5 different zones to give the support that you need.

260 springs/m²

All steel springs are individually packed and made of hardened high-quality steel. This, together with preloaded pocket springs, will give you maximum comfort.

Top mattress is an essential part of the bed

Our quality top mattress range is perfect to fulfill all your different needs and preferences - for those, who are looking for a perfect firmness and adjustability and for those, who prefer breathability and hygienic qualities. Most of the covers are easily removed and washable.

Colour and appearance

Design your own bed and choose upholstery from the wide range of fabrics that has over 200 different options of colors and textures. Imagination is your only limit.

Quality craftsmanship

Bellus uses only the best materials and top-notch craftsmanship. Our bed frames are handmade from the high-quality solid wood and we also make our own prime class pocket springs.

Legs and plinths

Complete your bed with a perfect set of legs or plinths. You can choose from a vast selection of color, style and size options to create a wonderful bed that complements your bedroom.
